

Scan to read the stories

The Invisible Heroes features series of our small life's big heroes. Thus, four real stories are chosen from the writer Qiuyu Yu (Huntun), the nurse XinGu Ye (SARS), the child Man Zou (Potato) and the writer Xuanli Wei (Tomato Sun).

In each story, we find the sadness healed by warm actions and we remember it with a slight smile.

—To little heroes in our little lives.

Invisible Heroes

"I don't know if life wants to teach us how to fight alone in storms, but I do wish to meet someone who could give me hope in those moments."
